

# NCAB Award Nominations

## 2023

NCAB offers awards annually to honor members of the laboratory animal community for their outstanding performance and achievements.

- › The **NCAB Durbin Award** recognizes an individual for their outstanding performance in providing animal husbandry care to enrich, enhance or improve the lives of laboratory animals.
- › The **NCAB Black Award** recognizes an individual for their outstanding accomplishments in delivering veterinary and technical services to enhance the health and well-being of laboratory animals.
- › The **NCAB Pierson Award** recognizes an individual for their outstanding accomplishments in administration, management, or supporting programs relating to the care, quality, or humane treatment of animals used in biomedical research.
- › The **NCAB Gay Award** recognizes an individual for their outstanding contributions to the field of laboratory animal training and education.
- › The **NCAB Fatzie Award** recognizes an individual who has shown dedication and service to the National Capital Area Branch through volunteer efforts, time commitment, and community impact.
- › The **NCAB Held Award** is intended for Clinical or Facility Laboratory Animal Veterinarians. The award specifically excludes directors of animal programs.
